Great opportunity! The location is the best if you are looking for a city apartment. Only 100 meters from the beach. Restaurants and all services around are within walking distance. The building was completed in 2020, so everything is almost new. However, the apartment has only been used on holidays, a couple of times a year. The apartment has two bedrooms and two bathrooms. The apartment is through the house. The bedrooms have access to a large back terrace. The kitchen is open to the living room with access to the balcony. Excellent materials. The apartment is like new. When you want an apartment right in the middle of the city and where price and quality meet, here is it!
