Beautiful corner townhouse with large garden and own pool located in the Rodeíto area, very close to Puerto Banús. The semi-detached house is distributed over several floors, the ground floor has an access porch with a breakfast table. Accessing the house, the kitchen is on the right and has a raisin to the large dining room, recently furnished. The living room has a fireplace and overlooks the beautiful garden. The garden has its own pool that will be fenced so that families with young children are calmer. On this same floor there is a double bedroom with bathroom en suite, and next to the living room there is another toilet for the use of guests. On the first floor we find another two bedrooms with double beds, one with en suite bathroom and one with a bathroom for the other room and on the top floor. There are two spacious rooms, both condos, single beds each and a newly made bathroom that would share these rooms. In the immediate vicinity there is a small supermarket, a pizzeria and an aesthetic center.
