This stunning family villa is aimed at those who appreciate a level of luxury and a quiet environment. This modern large house will really suit those wishing to pamper themselves, being close to a high quality golf and country club and yet still in easy reach of Puerto Banus, Marbella, Estepona and the sea. All the rooms are a good size and are beautifully presented to a high standard. From the front entrance, you will enter the lounge with a dining room and a large kitchen to the right. There are two large bedrooms downstairs and upstairs there are three more good sized bedrooms (one en-suite). The master bedroom leads out onto a large balcony with distant views out to the golf course. Outside you will find plenty of comfortable seating areas in the nicely maintained gardens. There is also a good area for dining and of course the private swimming pool which is not overlooked. From the roadway, there is a private garage for two cars. You will then need to walk up a flight of stairs from the garage level to get to the house level. All 'mod-cons' are provided to help you relax and fully enjoy your holiday in comfort and style. *Please note that pictures are done before some reform in the property so the property might look a bit different now.
