Costa del Sol, Benahavís

Set behind a sweeping driveway, this beautifully grand and imposing modern classic residence offers a sense of arrival that is both impressive and refined. Mature, immaculately maintained gardens frame the approach, leading to generous parking and a double garage, creating a home that feels private, established and effortlessly elegant.

The entrance opens into a striking double height atrium with a mezzanine above, where polished marble floors set the tone for the interiors beyond. The living spaces have been thoughtfully designed to balance openness with comfort, from the main lounge and formal dining area, both enjoying views across the pool and gardens, to a more relaxed snug and media room for quieter moments.

At the heart of the home, a beautifully appointed kitchen with marble work surfaces flows into a casual dining area, perfect for everyday living as well as entertaining. A separate study and a guest bedroom suite on the ground floor add flexibility and practicality.

Outside, the lifestyle offering continues with mature landscaped gardens and a solidly constructed gazebo, complete with barbecue, bar and dining area, all positioned to overlook the swimming pool, creating an ideal setting for long afternoons and evenings with family and friends.

Upstairs, the principal suite spans the entire front of the home, enjoying a sunny south facing aspect. It features a large private balcony with views over the pool and gardens, along with dual walk in dressing rooms and separate his and hers bathrooms. Two further en suite bedrooms complete this level, one of which enjoys views towards La Concha.

The lower ground floor is dedicated to leisure and wellness, offering a private cinema room, an additional bedroom, a climate controlled wine cellar, gymnasium with pool views, games room and a full spa experience including sauna, steam room and hammam. An elevator connects all floors, ensuring ease of access throughout.

A home that combines scale, comfort and thoughtful design, offering both everyday liveability and exceptional entertaining spaces in equal measure.
