8,950,000 €

Reference: RS12282 Bedrooms: 7 Bathrooms: 10 Plot Size: 1,582m²

Costa del Sol, Benahavís

This villa stands as a beacon of contemporary design and luxury in the prestigious El Paraíso area of Benahavís. Currently under construction, it is a collaborative creation between the renowned Gonzalez Jacobsen architectural studio and the esteemed Bonifacio Solís construction company. Together, they have brought to life a residence that encapsulates the essence of sophisticated Mediterranean living. Perched on a prime plot, the property offers panoramic sea views and a serene environment, providing a perfect retreat just moments from the coast. The villa's design emphasizes open, flowing spaces that blur the line between indoor and outdoor living. Expansive interiors are bathed in natural light through large picture windows, which open onto generous terraces and a stunning pool area, creating a seamless connection with the surrounding landscape. Every aspect of the villa is crafted to the highest standards, featuring state-of-the-art amenities and luxurious touches throughout. The villa includes an indoor spa for ultimate relaxation, two swimming pools for leisure and exercise, and a spacious garage that can accommodate multiple vehicles. Monarch Estates global presence for our many direct property listings has allowed us to become the real estate agent of choice having full access to each & every property currently for sale here on the Costa del Sol.
