Live your best life. Our homes are East-facing, bathed in sunlight all morning. The heat accumulated throughout the morning will also gradually dissipate as the afternoon goes on. Enjoy many a wonderful afternoon on the Costa del Sol from the private terrace of your East-facing bedrooms, marvelling at the stunning local landscape.

Phase 2

Homes adapted to you. The apparent simplicity of your home's design doesn't detract from the quality of the materials used. We believe in sophistication, always opting for the best materials. Every element, design and material for your new property has been carefully thought out, ensuring a premium-quality home for life.

That's why you can choose between 2- or 3-bedroomed homes, all with large terraces, from a ground-floor apartment, to a third-floor penthouse if you'd rather gaze at the horizon in its clearest and most infinite form.
