## Costa del Sol, Marbella

Situated within Marbella's prized Golden Mile, the highly-anticipated this new development presents a unique concept that combines residential, fashion, art, leisure and gastronomy. This reveal marks Dolce&Gabbana's inaugural step into the European Real Estate realm. Occupying an extensive plot of nearly 90,000m<sup>2</sup>, it will soon be the home to 92 distinct residences, a pioneer in branded residences in Marbella. Located in the heart of the Golden Mile, Marbella, just opposite the well-known Epic development on the road to Istan, the project will consist of 92 residences, notable for their expansive design, spread across a longitudinal stretch of 500 meters and elevated roughly 40 meters above sea level. This strategic alignment grants residents a panoramic vista of the Mediterranean coastline. From the exterior, five contemporary buildings rise majestically, surrounded by lush gardens and infinity pools. Internally, every residence is adorned with Dolce&Gabbana Casa creations, ranging in size from 220 to 1,580m<sup>2</sup> and 1 to 5 bedrooms.

Elegance is present throughout: master bedrooms offer a view of the sea, while the amenities list includes everything from massage and make-up rooms, private outdoor spaces with sea views, rooftop terraces, to an advanced home automation system connecting residents to the concierge and hospitality team.
